Satin sheets to lie on  
Satin pillows to cry on  
But still I'm not happy  
Don't you see  
Big long Cadillac  
Pretty clothes upon my back  
But still I wa-ant you to set me free

I've found another man  
Who can give me more than you can  
Though you've given me  
Everything that money can buy  
But your money can't hold me tight  
Like he does on a lo-ong long night  
You know you didn't keep me-ee sa-atisfied

Satin sheets to lie on  
Satin pillows to cry on  
But still I'm not happy  
Don't you see  
Big long Cadillac  
Pretty clothes upon my back  
But still I wa-ant you to set me free

But still I wa-ant you to set me free (fade)
