I know I said some real bad things about you  
I'm sorry for the things I know I've done  
You say you must go  
But I want you to know  
You will always be the only one

Oh baby, just consider what you're doing  
And all that you're throwing away  
This moment of madness  
Will bring only sadness  
And so I'm begging you to stay

I'll give you sweet country music  
The old fashioned kind  
I'll give you country lovin' lovin'  
Lovin' you're leavin', behind

Oh honey won't you lay down here beside me  
Come press your body close to mine  
We'll drift through our days  
In a warm haze  
Of music and lovin' and wine

I'll give you sweet country music  
The old fashioned kind  
I'll give you country lovin' lovin'  
Lovin' you're leavin', behind

I'll give you sweet country music  
The old fashioned kind  
I'll give you country lovin' lovin'  
Lovin' you're leavin', behind
