Well, life on the farm is kinda laid back  
Ain't much an old country girl like me can't hack  
It's early to rise, early in the sack  
Thank God, I'm a country girl

Well a simple kinda life never did me no harm  
A raisin' me a family and a-workin' on the farm  
My days are all filled with an easy country charm  
Thank God I'm a country girl

Well, I got me a fine man, I got me old fiddle  
When the sun's comin' up I got cakes on the griddle  
And life ain't nothin' but a funny, funny riddle  
Thank God I'm a country girl

When the work's all done and the sun's settin' low  
I pull out my fiddle and I rasin' up the bow  
The kids are asleep so I keep it kinda low  
Thank God I'm a country girl

I'd play "Sally Goodin" all day if I could  
But the Lord and my man wouldn't think it very good  
So I fiddle when I can, and I work when I should  
Thank God, I'm a country girl

Well, I got me a fine man, I got me old fiddle  
When the sun's comin' up I got cakes on the griddle  
And life ain't nothin' but a funny, funny riddle  
Thank God I'm a country girl

I wouldn't trade my life for diamonds or jewels  
I never was one of them money hungry fools  
I'd rather have a fiddle and my farmin' tools  
Thank God I'm a country girl

City folk are drivin' in a black limousine  
A lotta sad people thinkin' that's a mighty keen  
Well son, let me tell ya now exactly what I mean  
Thank God I'm a country girl

I got me a fine man, I got me old fiddle

When the sun's comin' up I got cakes on the griddle  
Life ain't nothin' but a funny, funny riddle  
Thank God I'm a country girl
