Outside the rain begi-ins and it may never end
So cry no more, on the shore a dream
Will take us out to sea-ea
Forever more, forever more-ore

Close your eyes and drea-eam
And you can be with me
'Neath the waves, through the caves of hours
Long forgotten now-ow
We're all alone, we're all alo-one

Close the window, calm the light
And it will be a-alright
No need to bo-other now
Let it out, let it a-all begin
Learn how to pretend

Once a story's to-old
It can't help but grow old
Roses do, lovers too so cast
Your seasons to the wind
And hold me dear, oh-oh-oh hold me dear-ear

Close the window calm the light
And it will be a-alright
No need to bo-other now
Let it out, let it a-all begin
All forgotten now-ow-ow-ow
We're all alone, oh-oh-oh we're all alo-one

Close the window calm the light
And it will be alri-i-ight
No need to bo-other now
Let it out, let it a-all begin
Hold me to the wi-i-ind, my-y love...
