There's a million things that we could do this evenin'
With all the night lights and the silver scree-en
While we've got time, and we could take the town in
Or take a fast jet, baby, down to New Orleans

But what I've got in mind
Is a small cafe, out of the way
Oh but baby, let's not stay
No-o-o, and be too late
But what I've got in mind is to disappear
Or maybe just stay right here
Oh to tell the truth what I've got in mind
Is makin' love to you

Well I confess and you can find me guilty
I'm a selfish lover, I can't deny-y
But I love you and I don't want to share you
With any night lights or darlin' any other's eyes

But what I've got in mind
Is a small cafe, out of the way
Oh but baby let's not stay
No-o-o, and be too late
But what I've got in mind is to disappear
Or maybe just stay right here
Oh to tell the truth what I've got in mind
Is makin' love to you
Oh to tell the truth what I've got in mind
Is makin' love to you
