Uh, uh, uh...

Didn't know
Didn't mind
Living day by day
Didn't bother to much
I was doing something
Close to nothing

Tried to move
Tried to run
Tried to get away
I was stuck in between
But now I'm moving
Yes, I'm moving
After all the things that I missed
That I can't resist

Cause...

It takes just a minute to like it Oh baby, takes just a few if you like it too, uh Time is ticking I'm just a minute away from you

Baby, takes just a minute to get it Oh baby, takes just a few if you let it through, uh Time is ticking I'm just a minute away from you

I've got haste
I've got taste
I can't wait no more
Just give in and give up
Baby, don't be boring
Oh so boring

Got a goal Let it go You can reach the sky And I don't know, I don't know Why we're flying Yes, we're flying After all the things that we missed That we can't resist

Cause... cause... yeah

It takes just a minute to like it Oh baby takes just a few if you like it too, uh Time is ticking I'm just a minute away from you

Baby, takes just a minute to get it Oh baby, takes just a few if you let it through Time is ticking I'm just a minute away from you

Oh oh oh...

Takes just a minute to like it Oh baby, takes just a few if you like it too, uh Time is ticking I'm just a minute away from you

Baby, takes just a minute to get it
Oh baby, takes just a few if you let it through, uh
Time is ticking
I'm just a minute away
Time is ticking
I'm just a minute away

Time is ticking
I'm just a minute away from you
