Roni - Don't wanna b alone

Spoken:

Hey girl, I wanna know where did i go wrong?
Ya gotta tell me, coz I wanna make it right

Here I am alone
I'm waiting by the phone
Now that you are gone
Where did I go wrong?

How can I go on? How can I go on?
How can I make it right?
How will I survive?
Without you in my life

Will you ever know? Will you ever know?
Just how much you meant to me my love
I will miss you more than you will know!

Chorus:
(Don't wanna b alone!)
Say that you love me
I can't breathe without you (Don't wanna b alone!)
I'm so lonely
And I'm lost without you
(Don't wanna b alone!)

Don't wanna let you go
Coz you are the one who makes me whole
You're my everything
You're my everything
Forever I'll love you girl!

Like the sun at dawn, like the sun at dawn
My love will shine on you
I wish I could feel
Every part of me

Even though
you're gone, even though you're gone

My love will go on
Every step of the way
Each and every day

(Repeat chorus)

I don't wanna lose you
I need you baby!
I am lost without you
Coz there's no one like you!

Tell me that ya love me, coz I can't breathe without ya
girl!
I'm so lonely, so lonely and I'm lost without ya!
You're the sunshine of my day, you're the stars in my
night
And I'm so lost without ya girl, I'm so lost

(Repeat chorus)
