GO!

Crime. Shame. None.

Why, do you detest me?  
You, cannot destroy me.  
I, cannot believe this.  
Why's there so much mistrust?

Crime. Shame. None.

To destroy what was left could not be harder than this.  
I tried, my best was laid to rest.  
To destroy what was left could not be harder than this.  
I tried my fucking best.

Pick myself up to fall once more.  
I had my friends, my home, I just need one.  
It's time to pull myself back up, justify what's right.  
Lay my weary head to die.

I chose this life, in which I have the power, to murder all  
of those, who try to abolish me.  
I chose this end, and I have the will, to murder all of  
those, who try to abolish me.

I will not be consumed anymore.  
I will not anymore.

To destroy what was left could not be harder than this.  
I tried, my best was laid to rest.  
To destroy what was left could not be harder than this.  
I tried my fucking best.

Pick myself up to fall once more.  
I had my friends, my home, I just need one.  
It's time to pull myself back up, justify what's right.  
Lay my weary head to fight.

I will fight.
