You're just 16 from Japan
Never had an American man
I liked that visor you wore out
You knew who you were without a doubt
American girls rely on what
Fred Segal sells and a firm small butt
There you stand strong with your visor
In the home of the style miser
I'll miss you Yuki San
It was sujoï so much fun
I'll miss you Yuki San
It was sujoï so much fun
We went to Melrose to see
Where the movies and magazines
Get their style
Look over there
Keanu Reeves
But you don't care
Funny how the girls around here
Would have freaked out then hid in fear
And the bullshit of L.A
You don't understand
So you say
I'll miss you Yuki San
It was sujoï so much fun
I'll miss you Yuki San
It was sujoï so much fun
Give me e-mail
Give me call
Don't worry I'll see you next fall
Say goodbye to the fun
'Cause you'll be back to old Yuki San
I'll miss you Yuki San
It was sujoï so much fun
I'll miss you Yuki San
It was sujoï so much fun
I'll miss you Yuki San
It was sujoï so much fun
shake it (x9)

(This song isn't actually a Rooney song, but something

Robert Carmine from Rooney made)
