[SoHee] Watching
Cause you got me patiently waiting
I think you are amazing baby It's okay
You're worth the wait
But I just can't take no more
Dreamin
Of you every night and I'm praying
Will you hold me tight and just wrap those arms
Around me boy
I really wanna feel you in my soul

[Lim] Every time you look in my eyes I can feel that ya
just wanna say
Three little words it's not so impossible then you start
walking away
I can't help it I'm askin the question I guess there's no
other way
For you to just tell-me-right-now
So maybe I should say it out loud

[YeEun] Please Be My Baby
Please Be My Baby
No I don't wanna wonder any more boy
I gotta hear you say the words say the words, say the
words
Ou~

[SunYe] Make me your lady
Cause I'm going crazy
I want you and I want the world to know that
I'm your baby and I know you feel the same
Yeah

[SoHee] Talking
Do you hear a word that I'm saying?
I'm so tired of playing these games with you
I'm so confused
So will you be my baby
Losing
My mind while you over there choosing
I don't wanna ruin this thing we got
Like it or not

Who's baby are you wanting to be?

[Lim] I can't help it I'm askin the question I guess
there's no other way
For you to just tell-me-right-now
So maybe I should say it out loud~

[YeEun] Please Be My Baby
Please Be My Baby
No I don't wanna wonder any more boy
I gotta hear you say the words say the words, say the
words
Ou~

[SunYe] Make me your lady
Cause I'm going crazy
I want you and I want the world to know that
I'm your baby and I know you feel the same
Yeah

[Yoobin] I can't help it when I want it gotta get it and it's
you I want
Maybe it can happen if you let it baby
Cuz I got you on my mind all the time
And when I see you boy you're looking fine every time
If you would make me the only one in your life then I'd
be like "Sweet"
And mix a little sugar with the spice
Baby take a change, romance, roll the dice
What other girl's gonna ask you something this nice?

[YeEun] Please Be My Baby
Please Be My Baby
No I don't wanna wonder any more boy
I gotta hear you say the words say the words, say the
words
Ou~
[SunYe] Make me your lady
Cause I'm going crazy
I want you and I want the world to know that
I'm your baby and I know you feel the same
Yeah
