Hey boy what's your name
Can I slightly ask you something I'm curious about?
Hey boy, the way you talk
It's sweeter than I thought
I like it oh

Hey boy, you're very delicate, different than others
Boy, I don't know exactly what but you're a bit frustrating
But they say that's your real charm
Everyone says you're quite a good guy

Hey boy what's your name
Can I slightly ask you something I'm curious about?
Hey boy, the way you talk
It's sweeter than I thought
I like it oh

Hey boy, actually, my first impression of you
Wasn't that great
But boy, a guy that treats me this well
I think you're the first - I think you'll make me special

Hey boy what's your name
Can I slightly ask you something I'm curious about?
Hey boy, the way you talk
It's sweeter than I thought
I like it oh

Oh Oh Let me say
Oh Oh You make me smile
Oh Oh You make me smile
Oh Oh Let me say

Hey boy what's your name
Can I slightly ask you something I'm curious about?
Hey boy, the way you talk

It's sweeter than I thought
I like it oh
