[Sunye]

I don't wanna waste another day
Letting on these sweet dreams fade away
Don't you think it's time to let it go
No more lying

Maybe I will make up for the word
Who should be the one to say it first?
Who should be the one to spit it out?
No more lying, look at us crying

[All]

Ou~Ou~Ouch

[Sunye]

It's hurting inside

[All]

Tell me why~

[Sunye]

Your love is

[All]

Heartbreak~ Heartache

[Lim]

And it's more than I can take

[All]

First smile~ then tears~

[Lim]

And then it is too late

[Sohee]

Everybody's looking for a little sweet touch
Maybe I was hoping for a little too much cuz

[All]

I know, you know

[Sunye]
It's just heartbreak, heartache

[Yeeun]
Everyone in this world felt the same
Thinking it's a fun fun foolish game
And then you had your heart all broken like
What is happening?

One of you is always so in love
One is on the floor, One is high~ above~
Don't you think it's time to let it out?
No more lying, look at us crying

[All]
Ou~Ou~Ouch

[Yeeun]
It's hurting inside
Tell me why~
Your love is

[All]
Heartbreak~ Heartache

[Lim]
And it's more than I can take

[All]
First smile~ then tears~

[Lim]
And then it is too late

[All]

[Yoobin]

Love is pain, cuz you don't hurt the same
Stop, please stop, this never ending rain

[Lim]
Please say something~

[Yoobin]
Ou~Ou~Ouch
My heart is bleeding tears

[SoYoo]
I hate you so

[Yoobin]
I do not want you near

[SoYoo]
