J.Y Payne and the 'Wonder girls', we're back

I know you're looking at me why-I-I?
Can't take your eyes off of me right-ight-ight
I know it's hard but but please, you're embarrassing me
Can you pretend I'm not around-ound-ound?

Each time I walk around the block-ock-ock
I feel the weight of people's stare-are-are
Everyone's head turns following me around
Someone please tell me what to do

I'm so hot, I try to hide it but
I'm so fine, I just can't help it, baby
I'm so cool, somebody help me
I'm so, so, so hot, hot

I know I should be getting used it by now
All this attention coming from the crowd-owd
I know they watch me, I know they want me
And they know it's not gonna change-ange-ange

Why can't I live a normal life-ife-ife
A life just like a normal girl-irl-irl
Mommy why did you make me so special?
It's not so easy to be hot, hot, hot

I'm so hot, I try to hide it but
I'm so fine, I just can't help it, baby
I'm so cool, somebody help me
I'm so, so, so hot, hot

I'm so hot, I try to hide it but
I'm so fine, I just can't help it, baby
I'm so cool, somebody help me
I'm so, so, so hot, hot

Everybody's watching me
'Cause I'm so hot, hot
Everybody's wanting me
'Cause I'm so hot, hot

Anytime, anywhere I go
I can never run away from the white spotlight
They'll never leave me alone
No matter what time it is, day or night

How old do I gotta be till they don't want me no more?
Drew Berrymore tell me
Try to run but I just can't hide
Started in Asia, now worldwide

Everyone loves me, try to get to know me
What can I do? Oh, no, please leave me alone
Other boys will loving me, girls be hating me
They'll never stop 'cause they know I'm so hot, hot

I'm so hot, I try to hide it but
I'm so fine, I just can't help it, baby
I'm so cool, somebody help me
I'm so, so, so hot, hot, hot
