[Yoobin] Yeah

The Wonder Girls

[YeEun] He is mine
I'm the only thing on his mind
He thinks about me all the time
He got my love on rewind

[SoHee] Nobody
Treats him like I do
There's no party if I'm (not in the booth)
My song keeps his heart in tune
Like
Ba-da-da-da-da-da-da-DumDum
He loves me and I love him too
He plays me all the night through
He keeps me spinning and grinning I'm winning him over from you
Sing it
La-La-La-La-La-La-La-La-La

[Lim] Everyday (La-La-La-La-La-La-La-La-La)
He sings with me (La-La-La-La-La-La-La-La-La)

Say at the top of his charts
I am the airplane
Flyer than airplanes
I know you hear me
And guess you didn't
