Verse1 (So Hee): My friends keep telling me that they think you like me, and I was thinking somewhat the same thing.

(Sun Ye): But what if it wasn't true...what if I was the only one stupid for thinking that? With those thoughts in mind I wasn't sure what to do.

(Ye Eun): (Everytime I see you) I try so hard to to read your mind (When I keep lookin at you) I get different signals...I really just dont know...

Chorus: If you like me then just confront me. Why are you making it so hard on my part? If you like me then act brave. I'm here waiting, so why cant you come? You fool...

Verse2. (Sun Mi): Til when are you going to just look over at me like that? Look at my eyes! Their telling you to come forward.

(Ye Eun): While your still stalling, if someone else brings up their courage and takes me, then how regretful do you want to be?

(Sun Ye): (Everytime I see you) I try so hard to show you what I feel (When I keep lookin at you) How come you dont know how I feel? Don't you have any clue?

Chorus: If you like me then just confront me. Why are you making it so hard on my part? If you like me then act brave. I'm here waiting, so why cant you come? You fool...

Rap. (Yoo Bin): Til when are you going to act so stupid(foolish)Do you want to make me yours or not? If I keep waiting like this, I'll get tired and give you up first. So throw it to me, with confidence your confession. I'm giving you plenty of signs right here so wha you gotta be so scared of? uh~ Stand before me and hottly make your confession~ C'mon gather up your courage!

Chorus: If you like me then just confront me. Why are you making it so hard on my part? If you like me then act brave. I'm here waiting, so why cant you come? You fool...
