What can I say, what can I do
You don't know I'm in love with you
You walk on by to pass the time of day

My eyes meet yours, I'm in despair
I have to hide my face somewhere
I try to speak but words cannot explain
I must refrain

I could write it in a letter
But then what could I say-ay
Guess I'm gonna have to a-ask you
Lady, what's your name
And can I walk beside you in the rain
Just a little smile will make my day
Lovin' you has made me live agai-ai-ain

I search for ways, to make a play
When it comes down to it I run away
To get so near but yet I don't know how

To break that spell that keeps me high
To fast, too soon, you're gone, my hopes run dry
I wonder if you feel the same way too
What can I do

I could write it in a letter
But it all ends up the sa-ame
Guess I'm gonna have to a-ask you
Lady what's%
