I need your sweet inspiration
I need you here on my mind ev'ry hour of the day
Without your sweet inspiration
The lonely hours of the night just don't go my way

A woman in love needs sweet inspirations
And honey, that's all I ask, you know, that's all I ask
from you
I gotta have your sweet inspirations, yeah
You know there just ain't no tellin' what a satisfied
woman might do

When you call me, baby, baby
It's such a sweet inspiration
The way you call me, darling, darling
Sets my heart to skating

And if I'm out in the rain, baby
And in a bad situation
You know I just reach back in my mind
And there I find your sweet, sweet inspiration

Sweet inspiration - oh yeah - oh, what a power
Then have I got the power ev'ry hour of the day
I need your sweet inspiration, yeah
To go on livin', to keep on givin' this way

I need your - sweet inspiration
Inspirations of you - sweet inspiration
I need your ooh - sweet inspiration
I need it - sweet inspiration
Just give me your - sweet, sweet inspiration
I got to have your - sweet, sweet inspiration
Ah, give me your - sweet inspiration
Come on, please - sweet inspiration
