

## Wondermints "Barbarella"

Visit "[Barbarella](#)" on [MotoLyrics.com](http://MotoLyrics.com)

"woah you give me a cold shoulder"

Should be:

"though you give a cold shoulder"

The rest reads fine, although I thought the band was

"bob glitter and the

Glitterhouse five"?

And chance you remember the lyrics to the end song? i

can not recall the first

Line and it's driving me nuts"

(something) is sorrow,

The devil is hate.

A dream is tomorrow,

A fool can not wait.

An artist is beauty that rises above,

And looks in the eyes of an angel.

An angel is love...!

Why...! why do I love you, I love you, I do.

Why...? it's because my angel is you.

I know, yes, I know.

I know.

(repeat first part much faster)

End

Best,
