(m. d'amico)

Once upon a time

Sunshine kept you wide awake

Now that you're blind

Hindsight, technicolor fade

Roll over, is it over, why?

Every shoulder- every shoulder you cry

Safe cellophane, hide your face

You're blue and you're colder

Wait for tonight of pain

Tell me when it's over

Roped and tied

I'll find something kind to say

Well, hello, goodbye

It's time to walk away

Roll over, is it over, why?

Every shoulder- every shoulder you cry

Safe cellophane, hide your face

You're blue and you're colder

Wait for tonight of pain

Tell me when it's over

Safe cellophane, hide your face

You're blue and you're colder

Wait for tonight of pain

Tell me when it's over
Roll over, is it over, why?

Every shoulder- every shoulder you cry
Safe cellophane, hide your face

You're blue and you're colder

Wait for tonight of pain

Tell me when it's over...
