My, my the clock in the sky is pounding away

And there's so much to say

A face, a voice, an overdub has no choice

An image cannot rejoice  
Wanting to be

To hear and to see

Flying to the sky

But the porpoise is laughing goodbye - goodbye

Goodbye - goodbye - goodbye  
Clicks, clacks riding the backs of giraffes for laughs

Is alright for awhile

The ego sings of castles and kings and things

That go with a life of style  
Wanting to feel

To know what is real

Living is a lie

But the porpoise is waiting goodbye - goodbye

Goodbye - goodbye - goodbye
