Chorus:

I'm so confused I don't know what to do  
I don't know what to say I don't how to act  
You've made me so confused  
Since I've been with out you

Verse:

I really cant describe how I feel inside  
But I know I can't sit here and hide  
But I cant express what I feel for you  
Well maybe I can try  
I've been tryin' to tell you  
But I've never had the guts  
Maybe one day I'll tell you  
It might be tomorrow  
Or maybe today

Chorus:

I'm so confused I don't know what to do  
I don't know what to say  
I don't how to act  
You make me so confused  
Since I've been with out you

Verse

Ok today's the day for you to know  
How much I've liked you  
Now I think I love you  
Maybe that's just infatuation but  
I still need to know  
Do you like me to

Chorus:

I'm so confused I don't know what to do

I don't know what to say  
I don't how to act  
You make me so confused

Chorus:

I'm so confused I don't know what to do  
I don't know what to say  
I don't how to act  
You make me so confused  
Since I've been with out you  
Since I've been with out you  
Since I've been with out you  
Since I've been with out you  
Since I've been with out you
