"Clueless"

you can see the lies in those real big eyes
got the finger tattooed on her inner thigh
she'll tell you to jump
she'll make you say how high
wanna have a good time
don't have to ask her twice
never let you win cuz she can't lose
and you haven't walked a mile unless it's in her shoes
everybody's got a friend like her
you don't know jack*** til you're in her world

she's a wild child so incomplete
like a real bad song playing on the beat

if your eyes are blue
hers are a little bluer
if your car is new
hers is a little newer
if there's a dude in the room
she'll think he wants to screw her
she's got no clue
no clue

she likes to brag about her pedigree
but she ain't nothing but a rich bitch wannabe
she's loud and rude
when she downs a few
she's dancing on the bar
drunk and half nude

you wanna be her friend
well that all depends
if your broker's a joke
or if you drive a Benz

everybody's got a friend like her
you don't mean jack*** til you're in her world

she's a wild child so incomplete
like a real bad song playing on the beat
if your eyes are blue

hers are a little bluer
if your car is new
hers is a little newer
if there's a dude in the room
she'll think he wants to screw her
she's got no clue
no clue

somebody take her home
she hates to sleep alone

she's an ex-prom queen
always looking for a scene
by the way that's a fake tattoo
she's just jealous of you, yeah

if your eyes are blue
hers are a little bluer
she keeps dropping names
like someone
