And I hope it rains
At your funeral
And the flood washes away the past
Memories of you
And don't forget
What they said
You'd be better off
You'd be better off dead

You can do
what you will
my punishment for your death
would be a thrill
and as I say
my last goodbyes
I'll whip the tears
from your eyes

Chorus:

Goodbye my valentine (goodbye)
Goodbye this is where you lie
Goodbye my valentine (goodbye)
Goodbye this is where you are

And I hope it rains
At your funeral
And the flood washes away the past
Memories of you
And don't forget
What they said
You'd be better off
You'd be better off dead

You can do
what you will
my punishment for your death
would be a thrill
and as I say
my last goodbyes
I'll whip the tears

from your eyes

Chorus

You can do
what you will
my punishment for your death
would be a thrill (be a thrill)
and as I say
my last goodbyes
I'll whip the tears
from your eyes (eyes)
