I don't wanna know this time
And I don't wanna hear I'm sorry
I never thought I'd find myself back here again...

I probly could forget one time
I know I could forget another
Well how can I continue with you not around?

And now...

Cuz I don't think it's right
Leaving me here alone this time
As I lie awake my thoughts repeat
And I don't think it's right
But I won't let it kill me tonight
And I think this time I'll fall asleep

The sooner I let this go
The sooner I'll see tomorrow
Cuz I know I'll be sleeping sound...
Well maybe I should write this out
Or maybe I could write you letters
Or maybe when I see your house I'll burn it down!

Cuz I don't think it's right
Leaving me here alone this time
As I lie awake my thoughts repeat
And I don't think it's right
But I won't let it kill me tonight
And I think this time I'll fall asleep...

[Instrumental]

Cuz I don't think it's right
Leaving me here alone this time
As I lie awake my thoughts repeat
And I don't think it's right
But I won't let it kill me tonight
And I think this time I'll fall asleep

Fall asleep...

Fall asleep...
Fall asleep.....
