"Angel In My Bed"

Everytime I wake up I see your face beside me
Everyday you walk on by my heart trembles
Everytime I see you it's like sunrise that shines in me
I belong to you and you belong to me

You are an angel, I'm just a man
Now you lie next to me, here in my bed
You are my angel, still just this man
And now I'm wondering, why you chose me

Everytime you're absent, my thoughts are killing me
Everyday you leave me I get so naive
But everytime you're with me all my troubles just
disappear
I wanna be with you so please don't let me go

You are an angel, I'm just a man
Now you lie next to me, here in my bed
You are my angel, still just this man
And now I'm wondering, why you chose me

Everytime you're smiling my heart is melting
When your eyes are reflecting the sun I'm falling
Someday you'll realize I'm not what you deserve
I'm not the one for you, but I can pretend

You are an angel, I'm just a man
Now you lie next to me, here in my bed
You are my angel, still just this man
And now I'm wondering, why you chose me
