[Lil' Keke]

Dedication to real street niggaz man

Ah-huh, words of a G

Get your notepads out, y'know?

First thangs first, we internationally known

Worldwide connected and locally accepted

Tell you the truth man

Some of you niggaz wouldn't be shit if you was sittin in
it

It's time to put all marks in they place

Mack or die, go hard or go home

Shit or get off the pot gangsta

SHEEEIT, niggaz got the dick look right now, y'know?

What makes you laugh makes you cry

Y'know you gotta be politckin in theese streets to
qualify

Niggaz crumblin every time they open they
motherfuckin mouth

But y'know, we gon' sit back and do what we do

Swishahouse, gettin money, stay true

FOOL~!
