Play, I only ever saw it as play,
I didn't think that's what they'd say.
No, I never wanna hear that again.
I used to have paper and pen,
I'd write it down time and again,
and I'm never gonna do that again.
All those thigs I said,
I only said them in jest,
(my God what a mess),
I said all of those things to you,
and now there's very little left,
and I'm never gonna do that again.
Rain, I hate getting caught in the rain,
I hope it doesn't happen again,
No, I never wanna get caught again.
I used to think drinking brought shame,
but a bottle of wine I would drain,
yeah, I bet I'm gonna do that again.
