CHORUS

Radio Ass Kiss on the air
Say what you like now no one cares
Radio Ass Kiss on the air
Say what you like now no one's scared
I caught the DJ pulling up his trousers
I'm staying tight lipped he's doing me a favour
I caught the DJ pulling up his trousers
Switch the station try another flavour
It's not seen, it's not heard
It's not mentioned by the spoken word
So bugger the plugger cos there'll be another
It's easy for the blind to see
And gives the company a policy

CHORUS

God bless the DJ jeepers yowers
Who's got the problem?
Just look at my behaviour
God bless the DJ jeepers yowers
Peel me off the corss
We don't need another saviour
It's not seen, it's not heard
It's not mentioned by the spoken word
So bugger the plugger cos there'll be another
I'm not making an apology
Or calling it my apology
Or calling it my policy

CHORUS

Thrills kids we've got another coaller, a lady pickpocket
from over the
water. Jeeze I'm swell for doing her a favour, another
dance beat for her
sickly little daughter.
