I remember the morning you roared into my room
We were trying to find a reason
To see though the gloom
Don't be worried now
Don't be sad
I'm not the best daydream
That you've ever had
When you thought I was expanding my head
I'm sorry, I'm embarrassed, I'll remember what you said
Don't be angry now
Don't be mad
I'm the worst fucking nightmare
That you've ever had
