Swizz Beats f/ Drag-On, Eve--Move Right Now

[Swizz]

Uhh, yeah yeah yeah

Yo yo, come on

Come on Eve, Swizz Beats

Drag-On baby

[chorus Swizz]4x

We want y'all to move right now

[Drag-On]

Break 'em down

Put 'em up

Shake 'em down

Pat 'em down

Then bat 'em down

Get the gun

Gat 'em down

Get the rope tie 'em up

Strike a match lite 'em up

Then fly 'em up to the spot a pile of dust

Get the chips stack 'em up bag a bitch dig her out

Then kick 'em out let dogs sick 'em out

All I do is tell 'em get the tissue

I only fuck wit chicks that suck nuts out of pickles

You want problems? well I'll solve 'em and make examples

I love bustin out crowds so all people get trampled

Spit crowds wit the 4-5

Like when Moses split the tide

Those that froze chose to die

Stay higher than a hello, how you doin?

Burn the rubber till the tires ruin

Burn a coat of fire human

Cause this Drag

Burnin like the grits on Al Green's back

Causin a switch rock

[chorus]8x

[Swizz]  
Hold on dog  
Who want some of this, gun right here  
All y'all clown niggas put your hands in the air  
Is it you over there? Is it you over there?  
Is it you, is it you, is it you right there?
