

Sixteen years and still comin through your speaker
Mr. Pied Piper bitch I'm on fire
Don't trust me I'm a Billboard shyster
I got Dreamgirls, what you 'gon do
Got them chicks singin "And I am tellin you!"
Up in the club, flossin like a don
Album 'bout to drop so you bitches better run
Makin them moan while havin sex to the song
After sex, I beat my chest like I'm King Kong
Ice so cleared out everybody move
Haters on D, I'm 'bout to take these fools
Everytime I shoot a shot it's like SWIZZ!!!
Everytime I shoot a shot it's like SWIZZ!!!
Everytime I shoot a shot it's like SWIZZ!!!
I'm in the buildin and I'm lookin for a BITCH
Walk out the studio man it's a HIT
Back in the studio and do the REMIX
I'm in the Mark 5 with a bad CHICK
Hop out five paparazzi goin CLICK
Come on!!!

[Bridge: Swizz Beatz]

Hold up, wait a minute!!! (I'm back off vacation!!!)
Hold up, wait a minute!!! (You know what I was doin!!!)

[Verse 3: Swizz Beatz]

Chillin in the Beeza, wit my mama mia
She smokin on cohiba, on my sun seater
For those of you who don't know that's just a yacht with
a deck
You talk about your cars, what you got up on ya neck
I showed you my portfolio, straight disrespect
The rims in, the spot they ask "you couldn't write a
check?" noo!
You better think about it, yeah you better think about it
You betta hit the damn bar and get a drink up out it
I'm straight loco, don't care bout no popo
Only big weight, what you think I roll wit Joe for
Wanna talk crazy, go and meet my fo fo
Ra! ra! ra! ra! .. There go that popo
J-jam in that Enzo! J-jam in that Spider
J-jam in that G4, Bet you can't catch me though
Double Z's on that whip, put the grease on her lips
Took her to the mine come and threw the D on that
bitch

[Bridge: Swizz Beatz]

Freeze...
You kno who it is.. It's me bitches!

[Verse 4: Jadakiss]

Taking over, the waitings over
We bringing it back like baking soda
I don't stop squeezing till ya face is over
I'll be on vacation till the case is over
Bottles everywhere, club full of women
Gucci sneaks, A good cuff on a denim
A few birds to look out the free peaches
You cock suckers know who it is, it's me bitches!
