In America I was just 16  
I said  
Hey  
It's just me  
And I saw no one's gonna speak for me  
I said  
Hey  
It's clear to me  
Clear to me that

I stand  
I stand  
I stand for nothing  
I stand for nothing you would understand

In America and globally  
Been hearing  
Hey  
It's not just me  
Do you hear us?  
Do you hear, Mr. Authority?  
You have company  
We're saying  
Hey  
People sing  
People sing it

I stand  
I stand  
I stand for nothing  
I stand for nothing you would understand

It's gonna be different  
Can you feel it?  
Can you feel it?

It's gonna be different  
Do you fear it?  
Do you fear it?

I stand for nothing you would understand

I know what I stand for  
And I'm just a lonely soul  
In America
