Refrain: (2x)

It was an Everything-you-do-is-wrong-day
and I know I said the wrong words on that day
It was an Everything-you-do-is-wrong-day
I said the wrong words on that day

Do you know the days
when you've got the feeling
everything is wrong.

And the day after that day
said the wrong words
trying the best.

You have lost something
and you knew that it was your fault.

There are days - and they are wrong.

Refrain (2x)

You all know the people
Who want to tell you
Tell you the right.

But here is your beauty
When I hate you
Fighting inside.

Oh yeah - it's an everything you to is wrong day.
So here we are

You all know the people
Who want to tell you
Tell you the right.

But here is your beauty
When I hate you
Fighting inside.

Oh yeah - it's an everything you to is wrong day.

So here we are

Refrain (5x)

It was an everything you to is wrong day
