Look beyond my face and love me
I'm not the good girl you should know

There was a time when I thought of you
There was a time when you thought of me
Look in my eyes and say you love me
Look in my eyes and say you want me

I'm just more, I'm just more, I'm just more
I'm just more, I'm just more, I'm just more

It's too late to look beyond
It's too late to darn my socks
I left my shoes left you behind
Ran barefooted through the crowd , yeah

There's another word for love
There's another word of course
I'm just more than you can see obviously

I'm just more, I'm just more, I'm just more
I'm just more, I'm just more, I'm just more

There's another word for love
There's another word of course
I'm just more than you can see obviously

It's too late to look beyond
It's too late to darn my socks
I left my shoes left you behind
Ran barefooted through the crowd , yeah

There's another word for love
There's another word of course
I'm just more than you can see obviously

I'm just more, I'm just more, I'm just more
I'm just more, I'm just more, I'm just more

There's another word for love
