Take off my boots
Take off my masquerade
Take off my soul
Just wanna feel the wind in my hair and
That's all

And somehow
Kind of strange, kind of strange

Refrain:
All we got and all we want
And all we wish and dream and like
Yes all we got and all we want
And all we wish and dream and like
Yes all we got yes all we got
And all we want

Kind of strange, kind of strange

Take off my jeans
Take off my image and
Take off my dreams
Just wanna see the sun on the sea and
It seems

Take off my shirt
Take off my manners yes
Take off my name
Just wanna taste the rain on my tongue
And I say

Somehow
Kind of strange, kind of strange

Refrain

I've got a new job
Have a ticket to New York
Wrote a new song
Left my home

Refrain

Take off my boots
Take off my masquerade
Take off my soul
Just wanna feel the wind in my hair and
That's all

Somehow
Kind of strange, kind of strange
