Mmmh...

I feel lonely in bed and nobody is next to me
My words are reflecting on the wall and comin' back
Nobody listens, oh nobody is next to me
No one asked why I feel lonely in bed

It's you and me my honey
And everybody is gonna
Be themselves
And there is your time

Refrain:

I feel lonely in bed and nobody is next to me
My words are reflecting on the wall and comin' back
Nobody listens, oh nobody is next to me
No one asked why I feel lonely in bed

I wake up at night the candles are still burning
The smoke of the day comes up to my mind
I close my eyes hope to see your face again
No one knows why I feel lonely in bed

It's you and me my honey
And everybody is gonna
Be themselves
And there is your time

Refrain

In those lonely nights and those lonely days
Wanna lean my head on your shoulder
Wanna feel your breath, my heart's in a mess
Wanna lean my head on your shoulder

It's you and me my honey
And everybody is gonna
Be themselves
And there is your time

Refrain
