Didn't mean it like I said
Didn't wanna make the things complicated
But I still have
Was afraid to go backward
Was afraid to go on
But I still have to

Bridge:
Oh it's me yeah
Hey it's me again
And it's me yeah
It's me again

Don't know if my way still right
Don't wanna feel your hands cause I like it
Maybe I shouldn't
Don't care 'bout tomorrow
Don't care 'bout today
Maybe I should do

Refrain:
In trouble in rain
It's me again
In trouble in rain
That's what I am

It's me in trouble
Me in rain
See all my words are fallin'
I'm afraid 'bout you
And about tomorrow
Hey it's me again
In trouble in rain

Never wanted to break you
Never wanted to hurt you Babe
Now I have
Was afraid to go backward
Was afraid to go on
But I still have to
