I tried a lot of things out
Tried to love you without any doubt
I tried hard to trust in you
Searched for the good in your words
And in your doin'
But you hurt me while I were fallin' down
I tried to bear it but my wounds are
Bleedin' on an on

Refrain:

You oughta be ashamed of yourself
You oughta cry hours a day
Oughta be
Oughta be
Oughta be

I'm dump although I've so much to tell
But I fear my words more than hell
I've forgot how, how to fight
The whole day I just fear the night
I'm to weak to live but also to die
I'm to weak to laugh or cry

You saw me fallin'
And you saw me down
You saw me crawlin'
Yes you saw me down

Refrain

You saw me fallin' and you saw me down
You saw me crawlin'
Yes you saw my home
You saw the ocean's explodin'
And you saw my pain
Why did you hurt me again

I tried to understand
You and me but see I can't
Your hands are bleedin' oh don't you care?
Don't you know what it means to have fear?

I feel empty cause you killed my heart
Even if I try to fight the battle's still lost

Refrain
