Refrain:

Don't wanna run run run away again
Don't wanna run run run away
Don't wanna run run run away again
Don't wanna run run run away

Don't ask me where I come from
What my name is
And why it had to be your door
I knocked at
Don't ask me why I cry these tears
And write postcards
Just let me in an' say "don't be afraid girl"

What should I do with all these words if I
Can't talk boy
What should I do with all these shoes if I
Can't walk
Don't ask me questions I don't wanna answer
Don't give me advice I will never observe

You'd better please hold me tight babe
Please just tonight babe

Refrain

Don't look at me today, don't wanna be seen, no
Just close your eyes look at the floor or at your feet
Don't try to make me smile, or dry my tears boy
Just hold me tight and be my home tonight

I ran so far to see the mountains
I ran so far don't wanna fall
So let me rest yeah in your arms boy
I wanna see the sun again

Refrain

Don't wanna run away
Just wanna see the sun again
Don't wanna run away

Just wanna see the sun again

It's just the way I walk
It's just the way I feel
It's just the way I am
Just the way I wanna be

So come on please hold me tight babe
Please just tonight babe

Refrain
