Wasn't it her the feet in the mud
who had whispering words to God
And wasn't it her never aimless in quest
who held on to her goddies but
You called it rubbish
and wasn't it her who kept her tears away
Only to be not as weak as you

Refrain: (2x)
Silent tears,
runnin so loudly,
it's impossible not to hear
Not to hear them

And she decided to stay and not to run away
till the sun is shinin'again
But bloody kisses fallin'down...
down in her hands and in yours
And it rains yes it rains however
It cannot wash the guilt away
It cannot wash the tears away
No it's only a shower
that makes you wet and cold

Refrain (2x)

Wasn't it her the flash in the eyes,
who never wanted to be a quitter
And wasn't it her trusting in the good
who is noy crying your blood
Wasn't she me the hands on the ears
Oh..I'am crying, crying, crying
A bloody exhausted smile

Refrain

When the moon's your daddy
and the stars are your home

When the moon's your daddy
and the stars are your home

Silent Tears...

Silent tears,
runnin so loudly,
it's impossible not to hear
Oh your silent tears,
your silent tears,
your silent tears...
are killing me
