Stay stay stay...
Stay be my and hold me tight I think
You should know it's our time tonight

Refrain:
Stay stay once oh you need me
Stay stay here by my side
Stay stay here in my arms boy
Stay stay here tonight

I was not able to control myself
I did the things the things I've said I
Never wanted to do no never
But yes I do I do I do
I do I do I do

I look in your eyes and now I know it's true
I do the things I think I love you
I do the things I think I love you

Refrain

I do the things the things I've never wanted to
Call your name and be a wound up
Hypnotized dancin' doll
I kiss your photo all night long
Turn the radio on and sing this song

Refrain

I am not able to control myself
I did the things the things I've told you
Oh Yes I do I do I do
I do I do I do
And all I can do is smile and say
I love you so come on please

Stay by me and hold me tight I think
You should know it's our time tonight

Refrain

Stay stay stay...
