This is, this is,  
this is, this is,  
this is, this is  
Oh yeah

This is hope  
You're listening to the night song  
when normally nobody's listening

This is, the night is deep, there's nothing special  
indeed  
when normally nobody's listening

Refrain:  
This is, this is a love song  
for the fool, the fool in you  
This is, this is a love song  
for the fool the fool in you

This is, i need  
just to hear your voice sometimes  
or boy to touch you  
while you're still sleeping

This is a photograph  
i've hidden in my book the night  
i taught me the meaning of the longing

This is, this is,  
this is, this is,  
this is, this is

I said it's a love song  
high high high up to the sky

Refrain (2x)

Just to fool about and break it  
take time and just shake down  
here and there and every time

Just to fool about and break it  
take time and just shake down  
here and there and every time

Refrain

This is sleep well  
and take my songs as a kiss to bed  
when normally nobody's listening

This is, this is

Refrain (2x)

This is, this is a love song  
for the fool, the fool in you
