Refrain:

Whisper wisdoms wise
Sex sells no surprise I tell you
Money makes a muck come on
Whisper your wisdoms wise

Walking down the street,
I know that you are losing
Losing all you have
Coz nothing's gonna be
You spend your time thinking,
Thinking of your "famous times"
Knowing that you're gonna be
A perfect guy

Now you take that way
And I'm surprised what you're
What you're gonna gonna do

Refrain

Walking down the street, you're sure
You're gonna make it
Gonna make it big,
But nothing's gonna be
Knowing it's your end
You don't wanna stop it
You don't wanna stop to run,
Come on and wake up!

Now you take that way
And I'm surprised what you're
What you're gonna gonna do

Refrain

If you wanna understand
You have to read my book
If you wanna
That's what you should
If you wanna understand

You have to go that way
If you wanna
Take that chair and listen...

Refrain
