Im takin ya back come follow me  
on a journey to see a for real MC  
the mind tricks the body  
body thinks the mind is crazy  
but when I get the slazy  
keep my flow Im swayze  
I break..you take  
whatever type of shit the nigga Buckshot makes  
the incredible lyical and original  
You can kill a bull if you wanna take it cool  
Whatever I see I attack(tack)  
Fuck up the back black/nigga fuck that  
The devil lurks in my heart yearns for it well  
Look into the eyes of a nigga who fell  
I hit my head on the concrete to beat defeat  
(GUNSHOT)Another dead nigga in the street  
Bullseye direct hit dont miss..  
but How Many MC's Must Get Dissed

#### Chorus

Chorus
