(\*talking\*)

Mr. President, do you love us  
Do you love us ghetto children, tell me

[Hook - 2x]

Tell me, who can I trust  
In a world, where it's us killing us  
Dear God, I know I've been blessed  
But it's hard, living life full of stress

[Crazy]

Please tell me is the President, a anti-christ  
Soon as he get elected, then the terrorists strikes  
Like my dogs in the Penn, I'm just bout my time  
Put the world on the front line, to face Sadaam  
Every word spoke with caution, every thought with ease  
They don't look like the ones, that hung us from trees  
I see rose, without roots  
Through the blood of your ancestors, speak the truth  
Do you love us even more, when we pull the trigga  
Behind my back, do you teach your kids to scream  
niggaz  
Is the drugs and the AIDS, the way to take us out  
Up in Africa, babies foaming from the mouth  
What happened to my greats, blacks hate eachother  
For a bag of the dope, he'd prolly kill his mother  
Ain't nowhere that you can turn, when this world ends  
Dear God, please forgive my people for they sins tell  
me now

[Hook - 2x]

[Crazy]

See we know who put the drugs here, but we don't care  
The same rotten motherfuckers, trying to stop welfare  
Some of us don't need it, but most of us do  
I know who's a enemy, and y'all do too  
They put the guns on the streets, so I can kill ya dog  
Open your eyes homie, won't you see through the fog  
I wish Malcolm and Martin, was alive today  
So they could take a good look, at the USA

And the FEDs, turning solid motherfuckers to rats  
We done lost all hope, and we can't get it back  
Dear God if I die, it's with dignity  
Please forgive us for the hate, that they instilled in the  
Tell me who can we trust, cause we all we got  
Your whole life could be ended, with just one shot

Damn, he gone
