Have I been fooled by wishes  
The room turned misty blue  
I'm fast asleep in Kansas  
From a dream come true

And I, I, I only came for you

I don't want anything that happens  
And we just hold it here  
Somebody go and fetch your father  
I see it all so clear

Have I been taken over  
I dream I'd have a clue  
I'm feeling less than sober  
Are you there way to

And I, I, I only came for you

Have I been fooled by wishes  
I dream I'd have a clue  
I'm fast asleep in Kansas  
I only came for you
