1 - It's like Romeo and Juliet  
Hot sex on a platta just to get you wet  
You's about to get in somthin' you will never regret  
And it's gonna be the bomb this is what I bet  
Yep

It's like Romeo and Juliet  
Hot sex on a platta' just to get you wet  
You's about to get in somthin' you will never regret  
And it's gonna be the bomb this is what I bet  
Yep

Since the first time I saw ya  
I knew I was attracted  
Reacted to the fact  
On how ya make me act  
Shy but sexy at the same time  
Always on my mind was a little bump and grind

Usually I don't play it that close  
You gots to kick it wit me  
Before I serve you up  
With an overdose  
Of that bomb-ass puh-nanny  
Make you my man  
I ain't got no love  
For nobody else but you

Cuz you's my boo  
I prove to you  
My love be true  
So do you know where you goin' to  
Through thick and thin, baby  
You all in, time will reveal  
That my love for you will never end

My heart keep tickin'  
No time for trickin'  
You who I'm pickin'  
So lay me down  
Just give it a good lickin'

I'll treat you like my king  
Cuz you royal  
And only give my love to you  
Because I'm loyal, escape with me

Come over to my place  
I'll teach you a few things in love makin'  
Now I can't wait, I won't wait  
So take me by my arms and rock me baby  
Cuz I'ma always and forever be yo lady

Repeat 1

After our first night  
You discovered who's the bombest mommy  
L.A.'s finest with my top dogs all around me  
Down to ride, harder than Bonnie and Clyde  
We're sexual healers, do ya feel this  
Baby, check my vibe

They'll never be a love like me  
That got your back in this industry  
That got your back in these streets  
So you don't have to worry 'bout me  
On the creep  
And I don't want you ever to try to  
Play me cheap

Cuz I don't sleep around  
Because it's sleezy  
Good lesson taught by my big homey E-Z  
I got to compliment you on how you please me  
Touch me, but don't tease me  
Now put it in nice and easy

And rub my body down I'm feeling wheezy  
And cuddle up to me  
Cuz now I'm getting sleepy  
But I'mma be dedicated  
To this relation  
So stay away from all them cowboys  
So we can not be playa hated

Cuz if you wit me boo, then keep it real  
And if I catch you sleepin' around  
Then I'm gon' have to chill  
When ya find good love  
You best to keep it  
I'm puttin' all my sista's up on game  
So whyn't cha' peep it

Repeat 1 until fade
