Must catch a train tonight, I've got a date  
Must catch a train tonight, I can't be late  
I'm feeling mighty fine...tonight

Must wash my hands and face, want to look pretty  
Must brush my hair and shoes, don't want to look  
ghastly  
I'm feeling mighty fine...tonight

Tonight...  
Must catch a train tonight, I've got a date  
Must catch a train tonight, I can't be late  
I'm feeling mighty fine...tonight

Must catch a train, everybody, everybody, everybody  
Must brush my hair and shoes...
