Skinhead girl, skinhead girl

and blue jeans

Skinhead girl, she was my  
Skinhead girl, she was my  
Skinhead girl

I made up my mind, I was gonna be courageous, yeah  
I held out my hand, and touched her gentle  
She looked at me and smiled, I know that was for real  
She was height, my weight, my size, she wore braces  
and blue jeans

Skinhead girl, she was my  
Skinhead girl

I made up my mind, I was gonna be courageous, yeah  
I held out my hand, and touched her gentle  
She looked at me and smiled, I know that was for real  
She was height, my weight, my size, she wore braces  
and blue jeans

She was my skinhead girl, she was my  
Skinhead girl, she was my  
Skinhead girl, she was my  
Skinhead girl, she was my  
Skinhead girl, she was my  
Skinhead girl...
