I want all you skinheads to get up on your feet  
But your braces together and your boots on your feet  
And give me some of that old moonstomping

Get ready, we got three million miles to reach the  
moon  
So let's start getting happy now  
Yeah yeah yeah yeah yeah, yeah yeah, yeah yeah

Now, before we reach the moon, fellas  
We got to make sure that everthing is spic and span,  
alright?  
We got to make sure you, shine your boots, brush your  
teeth  
Because the man on the moon look different from man  
on the Earth  
That's what I say boys  
Now remember, I am your boss skinhead speaking, my  
name is Caleb  
Alright, and remember, I'm the boss  
You can see, look at my boot, or my feet, or whatever  
you want to call it  
And you can see I've got the biggest boots (that's not  
right)  
Now, when I say "sing", I want everyone to get in the  
groove and start singing  
Because we're on the moon

Ready? One time, yeah yeah yeah yeah yeah, yeah  
yeah, yeah yeah  
Yeah yeah yeah yeah yeah, yeah yeah, yeah yeah

Now, I want all you fellas to gather around me, and  
we're gonna start stomping  
Ready? Here we go, one time

Now, we want to make sure when we get back on the  
Earth  
We've got the moon on top of us

Now, we want to make sure that everybody is still in the

groove when we get back  
So let's start singing one more time

Ready?  
Yeah yeah yeah yeah yeah, yeah yeah, yeah yeah  
Yeah yeah yeah yeah yeah, yeah yeah, yeah yeah  
Come on, moonwalk, moonwalk, come on...
